With strong will power and focused mind, the fourth batch of Saral Ahsaas students of KBDV-7 Class X has proved with their result that nothing can block the way of these determined children, once their hand is held by the competent teachers from the School. Despite being the residents of a slum colony, this contingent of 22 students went on to achieve the best result for themselves this year. An overwhelming 92.60% from Shamama, the topper among these students has proved that “there comes a time in the childhood when the door opens and lets the future in.”
