

Best Practices 2026

Class-III TO VII

MONTH: APRIL 2026

ORIENTATION FOR PARENTS

During the session, parents were guided about the school system, rules, policies, and various other important aspects of the academic year. The session was open, informative, and provided a valuable platform for clear communication between the school and the parents.

(D.E.A.R. INITIATIVE)
(CREATIVE EXPRESSION DAY)

DATE: 11 APRIL 2026

Under the D.E.A.R. (Drop Everything And Read) initiative, the Poetry Reading Day was conducted on 4th April 2026. The session aimed at nurturing a love for poetry and silent reading among students. Students actively participated by reading poems of their choice, noting down important and difficult words, and writing their favourite lines. They also shared their thoughts and understanding of the poems, reflecting their personal connection with the text. The activity encouraged observation, comprehension, and a deeper Appreciation of poetry.

EARTH DAY

(SAPLINGS' DONATION, POSTER MAKING, PLEDGE, LETTER WRITING, FANCY DRESS COMPETITION)

DATE: 17 APRIL 2026 and 18 APRIL 2026

Earth Day was celebrated with great enthusiasm on 17th and 18th April 2026. The celebrations began on 17th April with a series of meaningful and engaging activities. Students participated in a letter-writing activity where they wrote imaginative letters from Earth to humans, expressing concerns and suggesting ways to protect the planet. A poster-making activity was also conducted to spread awareness about environmental conservation.

Students actively contributed by bringing saplings, which were later planted in the school premises, promoting the importance of greenery. Adding a creative touch, students came dressed as environmental heroes such as Sundarlal Bahuguna and Vandana Shiva, and confidently spoke a few lines about their contributions. A hand-sketch competition was also organized, and the winners will be awarded certificates and prizes.

SCHOOL REPORTS

A plantation drive centered around the theme—green begins with me, was conducted for the students of Classes 3 to 7.

Pledges to plantations: KB DAV-7 marks Earth day

CHANDIGARH: An array of purposeful and intellectually enriching activities was orchestrated at KB DAV School, Sector 7, Chandigarh, in solemn observance of Earth Day, under the overarching theme "Our Power, Our Planet." The commemorations commenced with an invigorating early morning nature walk undertaken by students of Class 8, subsequently followed by a live national webinar conducted in alignment with Mission LIFE — an initiative attended by the entire school fraternity — and culminated in a collective environmental

pledge, reaffirming the institution's unwavering commitment to ecological stewardship.

Under the aegis of the partnership programme, twenty-three students from the Government School, Sector 8, converged with KB DAV learners of Class 9 to partake in a stimulating poster-making competition. Principal Pooja Prakash commended the exemplary dedication exhibited by students and faculty alike, exhorting the school community to enshrine sustainable practices as an integral facet of their daily lives.

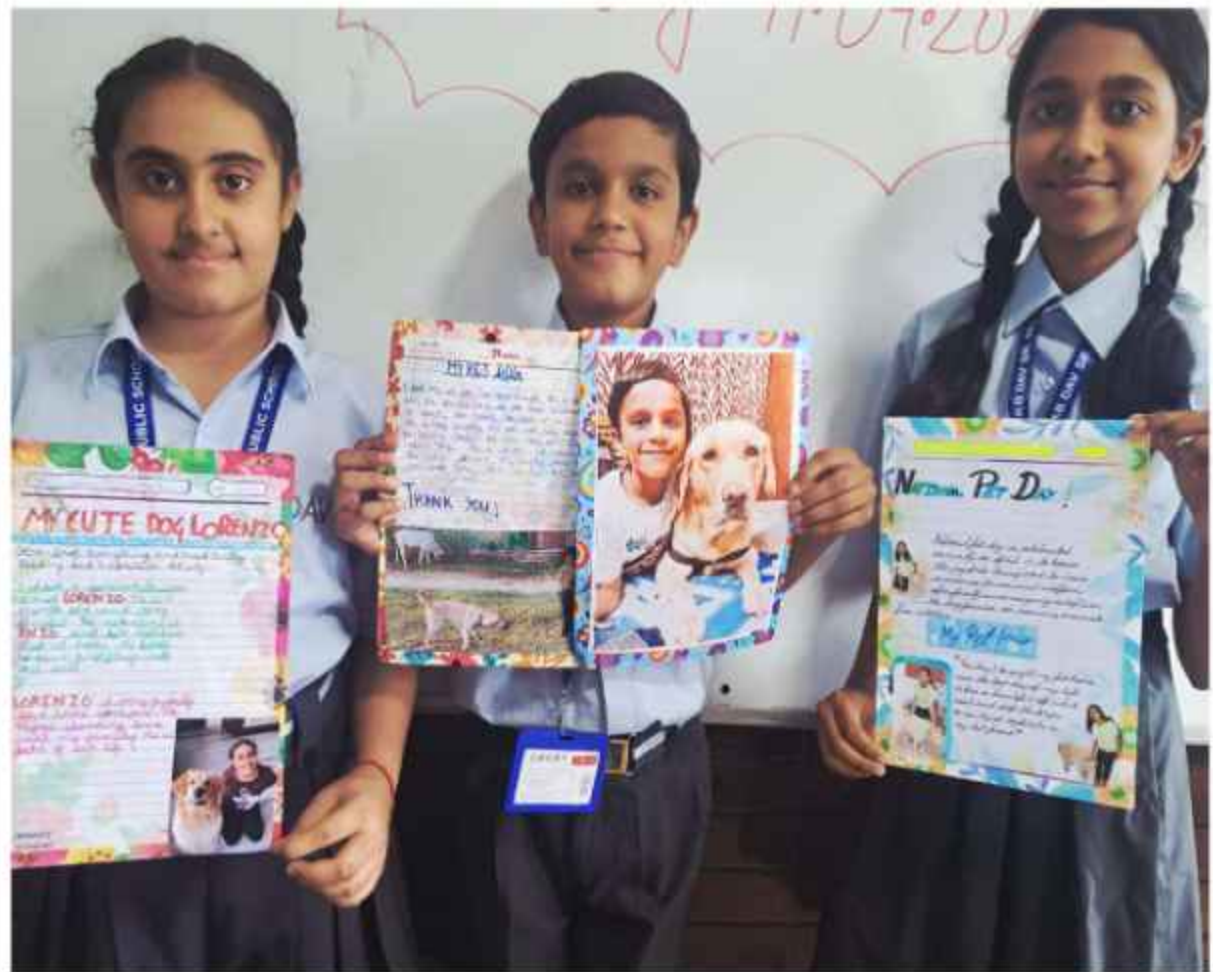

NATIONAL PETS' DAY

DATE: 11 APRIL 2026

National Pets' Day was celebrated on 11th April 2026 with great enthusiasm. On this occasion, students expressed their love and affection for their pets by writing about them and pasting pictures with their pets. The activity allowed students to share personal experiences and special bonds they cherish with their animals. It was a heartwarming and enjoyable activity that brought smiles to everyone and promoted compassion, care, and harmony between humans and animals.

WORLD ENVIRONMENT DAY

DATE: 5 JUNE 2026

World Environment Day was celebrated on 5th June with great enthusiasm and environmental awareness. Students planted saplings at their homes and shared their thoughts and feelings about nurturing and protecting the environment. The activity encouraged them to take responsibility for nature and fostered a sense of empathy towards Mother Nature. It also inspired students to become responsible custodians and saviours of the environment, promoting the values of care, compassion, and sustainability.

LABOUR DAY OBSERVANCE

To celebrate Labour Day, the enthusiastic students organized a heart-warming event to express their deep gratitude to the school helpers who keep our campus running smoothly every day. The students channelled their creativity into designing vibrant posters that highlighted the tireless efforts of the support staff, which were proudly displayed around the school. Alongside these visual tributes, the class wrote personalized thank-you letters, acknowledging the specific ways each helper contributes to our school community. The highlight of the celebration was when the students personally presented these letters, along with thoughtful gifts and boxes of sweets, to the helpers. Seeing the bright smiles on the faces of our school helpers made the day truly special, reminding everyone of the dignity of labor and the power of a simple "thank you."

WORLD ZOONOSSES DAY

On July 6, our school celebrated World Zoonoses Day to spread awareness about zoonotic diseases—infections like rabies, bird flu, and ringworm that can spread between animals and humans. The day commemorates the historic achievement of French scientist Louis Pasteur, who successfully administered the very first rabies vaccine on July 6, 1885. During the special assembly, students delivered informative speeches and displayed colorful posters highlighting how diseases jump from animals to people through direct contact, bites, or contaminated food. We learned about the importance of the "One Health" approach, which teaches that human health is closely connected to animal welfare and a clean environment. The event concluded with a pledge to practice good hygiene, such as washing hands after touching pets, ensuring timely vaccinations for domestic animals, and maintaining clean surroundings to prevent future disease outbreaks.

MOTHER'S DAY - 9th may 2026

A COMPLETE SAGA OF MOTHER'S LOVE AT KBDAY 7, CHANDIGARH

9 MAY 2026

FROM RAIN TO ROOTS: NATURE'S JOURNEY

DATE: 11 JULY 2026

From Rain to Roots – Nature's Journey was conducted on 11th July 2026 on the theme 'Biodiversity' for Classes III to VII. Students dressed up as various elements of nature—flowers, animals, trees, roots, leaves and branches—and enthusiastically explained their significance in sustaining the environment. They also created posters and enacted short one-act plays, making the activity highly engaging and experiential. The activity enhanced their confidence, creativity, self-expression and appreciation for nature, inspiring them to connect more closely with and pay tribute to the natural world.

INDEPENDENCE DAY

DATE: 15 AUGUST 2026

Independence Day was celebrated on 14 August with great enthusiasm and patriotic spirit. Students participated in a creative collage-making activity, depicting India's rich cultural diversity, traditions, festivals and iconic monuments. They also dressed up in traditional attire, showcasing the unity in diversity of our nation. Students presented speeches and read out write-ups related to the collages they had prepared, sharing interesting facts and thoughts about India. They also brought traditional food, adding to the spirit of togetherness and celebration. The day was energising, enriching and heartwarming, inspiring students to appreciate their country, its heritage and the values of unity and solidarity.

SHRI KRISHNA JANAMSHTAMI

DATE: 4 SEPTEMBER 2026

Students celebrated Krishna Janmashtami with great enthusiasm by creating colourful and aesthetic posters depicting Lord Krishna's personality, teachings and various artefacts associated with the festival. The activity encouraged creativity while helping students understand values such as devotion, kindness, generosity and good karma. Teachers also highlighted Krishna's teachings about performing one's duties sincerely without being attached to the results, while being practical and far-sighted in life. Students thoroughly enjoyed the creative activity and expressed their ideas beautifully through their posters.

UDAAN
10 October 2026

UDAAN – A Day of Girl Empowerment and Celebrating India's Heritage on 10 October 2026 with great enthusiasm and wholehearted participation.

The celebration began with a meditation session, during which teachers highlighted the importance of meditation for inner peace and positivity. In the second activity, students wrote an inspiring thought and their personal dream on paper wings, symbolising hope and aspirations. The third activity involved creative group presentations through PowerPoint presentations, posters, role-plays, and songs, showcasing their understanding of girl empowerment and India's rich heritage.

Dressed in pink, symbolising empowerment and solidarity, the students participated enthusiastically in all the activities. Teachers enlightened them about the significance of the occasion, making it an engaging, enlightening, and memorable day for everyone.
