CBSE/Coord/Verification/Suppl/2024

01.08.2024

CIRCULAR

The board is planning to declare the result of Supplementary Examination 2024 for class - XII soon. After the declaration of results, the CBSE will provide an opportunity to the students for verification of Marks, the facility to obtain the photocopy of their evaluated answer books, and the revaluation of their answers thereafter. All activities are time bound and can be availed only online.

It has been observed that many students and parents approached the CBSE after the last date is over for availing these facilities on one or another pretext. It is informed that these activities are time bound and can be availed only online. No request after the last date and in offline mode will be accepted by the Board as this breaches the examination security protocol.

Parents, students, and schools are therefore informed of the schedule in advance so that, if need be, they can avail of these facilities as per the instructions issued by the CBSE.

The proposed schedule for these activities is given below:

SN	ACTIVITY	TENTATIVE SCHEDULE FOR CLASS XII
1.	Verification of Marks	From: 4 th day from date of result To : 5 th day from date of result The facility will be available for 02 days

3.	Re-evaluation of Answer(s)	The facility will be available for 01 day falling on the 15 th day from the date of the result

The detailed modalities for applying for Verification of Marks, obtaining a Photocopy of the Evaluated Answer Book(s), and Re-evaluation of the answers for the candidates who have appeared for the Supplementary Examinations 2024 will be issued once the result is declared.

All the schools are requested to bring the above information to the notice of their students who appeared in the 2024 Supplementary Examinations of class XII.
